

Inline Centrifugal Fans MUC Series

MUC310 - 710 Series

Backward curved centrifugal impeller with high quality external rotor motor for high pressure exhaust applications.

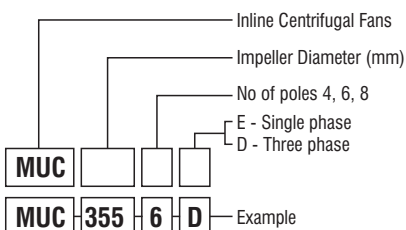

Common Applications

- Suitable for supply or exhaust applications
- Duct mounted fans

Features

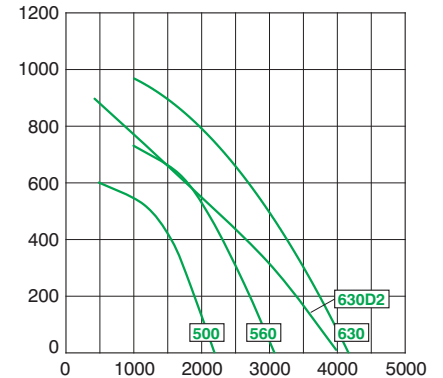

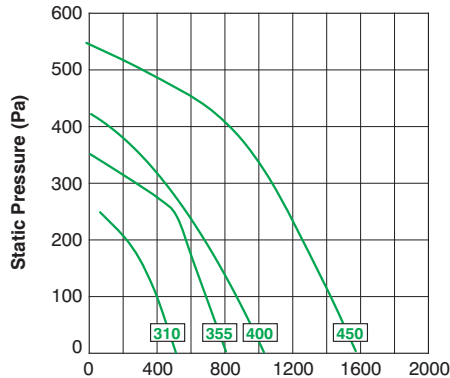

- Capable of handling up to 4200 L/Sec and static pressure up to 900 Pa
- Performance tests are in accordance with ISO5801 (2017)
- Noise level tests are under BS848 Part 2 (1985) and DIN 45635 Part 38
- Fan diameter from 310mm to 710mm
- Sealed for life ball bearing motors
- Motors in single or three phase, 2 speed and/or speed controllable.
